## THE HAPPENINGS AT THE NEW LIFE CENTER

The New Life Center Chocolate Extravaganza was enjoyed by more than three hundred people this year. We were delighted to see many new faces and new churches represented. Please save the last Saturday in February, the 24<sup>th</sup>, for next year's 2018

Chocolate Extravaganza. Our records indicate that we made \$23,478.10, up approximately \$3400.00 from last year. The live auction seemed to be enjoyed by many as well as the variety of silent auction items. Out of 134 items, 133 were sold; thanks to each of you for your generosity and your heart for the center.

We are already in progress to secure a more efficient sound system for next year as we realize this year's did not work well and many of you could not hear the client testimonies. For those of you who did, we know you appreciated their heartfelt stories and the passion which they feel for the center. Because of you, we are able to help them along this tough time in their life. THANK YOU!!! for your prayers as well as your financial support. Again, let me say, we would not be here without you.

## Our NLC Family

## CLIENT STORY

They could have stepped off of the front of a fashion magazine, instead they were stepping into the center for parenting classes. Their addiction to heroin is destroying their lives; it is a demon which they are trying to rid themselves of but presently, it is winning the battle. All five of their children have been removed and they are homeless. Their first visits were very tense and the husband was especially withdrawn and angry. After a month with us, he is more open and appreciative of these services. They are still fighting this battle. Please remember them in your prayers as all seven of them are struggling to make sense of this evil intruder.

This video resource equips families to recognize the warning signs of sex trafficking to protect themselves and their children from being recruited for sex trafficking. It is the story of two girls who were exploited and manipulated into being “chosen”.
